Divisions

NEW IN 2018: SoCo is expanding the high school divisions and creating a JV and Varsity division. Players in 9th-12th grade can participate in either the JV or Varsity division. It will be up to each coach to choose the appropriate division based upon the skillset of the player's.

There will be a boy's division and a girl's division for the following grade division (currently enrolled)

4th/5th Grade

6th Grade

7th Grade

8th Grade

JV (9th-12th)

Varsity (9th-12th)

- For the 4th/5th, JV, and Varsity divisions, teams can have players from the grade levels specified. For the 6/7/8 grade divisions, teams are grade specific (players can play up a grade level, but not down).
- Should the number of teams registered for any one division reach 12-14+ teams; the division will likely be split into a **Gold Division** (upper) and a **Silver Division** (lower). The final decision regarding if the division are to be split will be up to SoCo staff. Teams are gender specific.
- We ask that competitive teams who have been consistently dominant in their age group, consider playing up a division to create a more even playing environment for all teams involved.

Games:

All spring games will be played on Friday's from 6:00pm – 9:00pm, Saturday's from 9:00am - 9:00pm, or Sunday's from 12:00pm – 7:00pm (tipoff times). In consideration of family planning, all schedules will be given out prior to the first game and are established for the remainder of the season. Games consist of two (2) twenty minute halves, modified running clock. Adjusted Colorado High School rules govern play. Each team will be scheduled for eight games. The league will be topped off with an end of season single elimination tournament! Practice facilities/times are the responsibility of the coach.
